Officers reports from February 10, 2012 to February 29, 2012

Report from Secretary/Treasurer (Giuliano Casale):

- Collected officers' activity reports and prepared monthly STC report.

Report from Conferences Chair (Diwakar Krishnamurthy):

- Established collaborations with SuperComputing, GCM and CNSM. Requested to circulate the newsletter to these communities.
- Approached several other conferences and workshop organizers.

Report from Academic Chair (Niklas Carlsson):

- Sketching on a potential short-feature that may help show case academic and industry groups/people. This effort will be coordinated with Canturk Isci.

Report from Membership Chair (Anirban Mahanti):

- Facebook group has 35 members, Linked-In group has 25, 13 new members from website.
- Circulated invitations to colleagues, this resulted in doubling of the membership count.

Report from Communications Chair (Abhishek Chandra):

- Continued to identify conferences, workshops and journals relevant to sustainable computing.
- Prepared a spreadsheet with information about upcoming call for papers and call for participation, for inclusion in the monthly newsletter and website.

Report from Policies and Procedures Chair (Stephen Dawson):

- Documenting currently implemented STC-SC processes and gathering requirements for future processes.

Report from Industry Chair (Canturk Isci):

- Worked on narrowing down the IBM industry feature, identifying the potential focus projects.
- Explored new industry-academic programs related to sustainable computing.

Report from Information Officers (Danilo Ardagna, Guillaume Jourjon):

- Contributed material for newsletter and blogs.

Report from the Newsletter Editor (Christopher Stewart):

- Setting up the voting process for Pick of the Month series
- Looking for short contributions to the newsletter

Respectfully Submitted,
