#### Officers reports from May 4, 2012 to May 30, 2012

Report from Secretary/Treasurer (Giuliano Casale):

- Collected officers' activity reports and prepared monthly STC report.

Report from Conferences Chair (Diwakar Krishnamurthy):

- Solicited collaborations from organizers of June conferences related to our STC (ICS 2012, USENIX ATC 2012, EESC 2012, HPDC 2012, WEED 2012, ERSS 2012, WETICE 2012, IWQoS 2012, ISCA 2012, Green Computing 2012, Green Networking Workshop 2012, and DSN 2012).
- Coordinated display of our STC poster at ISSST 2012 in Boston.

Report from Academic Chair (Niklas Carlsson):

- Working with the industry chair on a short-feature that will showcase academic and industry groups/people, as well the proposal of a student award.

Report from Membership Chair (Anirban Mahanti):

- We currently have 165 members.
- Sergey Blagodurav (Simon Fraser U.) joined as membership vice-chair. Sergey's joining will strengthen the membership recruitment drive.

Report from Communications Chair (Abhishek Chandra):

- Continued to identify conferences, workshops and journals relevant to sustainable computing.

- Prepared a spreadsheet with information about upcoming call for papers and call for participation, for inclusion in the monthly newsletter and website.

Report from Policies and Procedures Chair (Stephen Dawson):

- Documenting currently implemented STC-SC processes and gathering requirements for future processes.

Report from Industry Chair (Canturk Isci):

- Finalized two of the industry features with their leads, which are now clear for publication in the newsletter
- Prepared the initial draft for the industry/academy group picks and call for STC-SC student award with Academic Chair

Report from Information Officers (Danilo Ardagna, Guillaume Jourjon):

- Contributed material for newsletter and blogs.

Report from the Newsletter Editor (Christopher Stewart):

- Initiated the voting system for the pick of the month series
- Brought in 2 more regular contributors

Respectfully Submitted,
