Officers reports from September 1, 2012 to October 3, 2012

Report from Secretary/Treasurer (Giuliano Casale):

- Collected officers' activity reports and prepared monthly STC report.
- Investigating into financial regulations.
- Danilo Ardagna accepted to serve as vice Secretary/Treasurer
- Organizing upcoming newsletter contribution from Prof. Erol Gelenbe, Imperial College

Report from Conferences Chair (Diwakar Krishnamurthy):

- Contacted organizers of CGC 2012 and UCC 2012 to publicize our STC. Coordinated with LCN 2012 organizers to display a short presentation and poster at the event.
- Professor Amarjeet Singh of IIT, Delhi has kindly consented to be the vice-chair of conferences.
- Working on revamping the conference calendar.

Report from Academic Chair (Niklas Carlsson):

- Working with the industry chair on a student award proposal, as well as a short-feature that will showcase people in the community.

Report from Membership Chairs (Anirban Mahanti and Sergey Blagodurov):

- Total membership count is 303. On track to meet target for 2012.

- Created contact list for E-Energy. Creating a contact list for CloudCom.
- Worked towards improving STC-SC value: ideas of a best paper award and a job posting services are being evaluated.

Report from Communications Chair (Abhishek Chandra):

- Continued to identify conferences, workshops and journals relevant to sustainable computing.
- Prepared a spreadsheet with information about upcoming call for papers and call for participation, for inclusion in the monthly newsletter and website.
- Started looking for a vice officer.

Report from Policies and Procedures Chair (Stephen Dawson):

- Documenting STC-SC processes and gathering requirements for future processes.
- In the process of identifying a successor to bring forward the policy document drafting.
- Started looking for a vice officer.

Report from Industry Chair (Canturk Isci):

- Working on the STC Community Highlights feature with a potential research group.
- Outlining the next Industry Highlight feature for STC.

Report from Information Officers (Danilo Ardagna, Fan Dongrui, Guillaume Jourjon, David Carrera):

- Contributed material for newsletter and blogs.
- DA: David Carrera has been involved in the STC as new Information Officer and will provide contributions to the new "Big Data and Data-Center Computing" blog and to the registry.
- GJ: started looking for a vice officer.

Report from the Newsletter Editor (Christopher Stewart):

- Looking into publicity avenues for the newsletter
- Opened the call for a vice-editor position

Respectfully Submitted,
Giuliano Casale
STC-SC Secretary/Treasurer
