Officers reports from November 3, 2012 to November 29, 2012

Report from Secretary/Treasurer (Giuliano Casale):

- Collected officers' activity reports and prepared monthly STC report.

Report from Conferences Chair (Diwakar Krishnamurthy):

- Coordinated with organizers of MICRO 2012 and ClouCom 2012 to display the STC's poster.

Report from Academic Chair (Niklas Carlsson):

- The intended student-award is currently held up and alternative avenues to encourage and reward young researchers in the field may need to be considered

Report from Membership Chairs (Anirban Mahanti and Sergey Blagodurov):

- Sent invitations for CloudCom participants to join STC-SC.
- Counted the number of members every week for the past month. As of November 24th 2012, we have 383 members. We are on track to meet our membership goal (400 members) by the end of 2012.
- The next steps involve investigating how to better leverage "services" provided by Computer Society for our members. This includes setting up an STC-SC Google Group and see if it can be integrated with Computer Society's Web site to use some of its features.

Report from Communications Chair (Abhishek Chandra):

- Updating upcoming call for papers and call for participation, for inclusion in the monthly newsletter and website.
- Bhuvan Uргаonkar accepted to serve as vice communications chair.

Report from Policies and Procedures Chair (Stephen Dawson):

- Met with SAP green energy / e-mobility and Green ICT areas to promote STC-SC.
- Still looking around to find vice-chair.

Report from Industry Chair (Canturk Isci):

- Finalized the STCSC student award Call for Applications with the academic chair, which is currently in discussions for venue and the process within the STC members.
- Finally had our first draft for our inaugural STC community highlight feature. Currently working with the Academic Chair to first have a quick follow up with the group and next, to work on the version for the STCSC Register.

Report from Information Officers (Danilo Ardagna, Fan Dongrui, Guillaume Jourjon, David Carrera):

- Contributed material for newsletter and blogs.
- GJ: contacted young researchers at the Centre for Energy Efficient Telecommunications (CEET) in Melbourne to find a replacement for my position

Report from the Newsletter Editor (Christopher Stewart):

- Enlisted David Chui from Washington State at Pullman as Vice-Editor

Respectfully Submitted,
Giuliano Casale
STC-SC Secretary/Treasurer
